ABOUT US

Wind Locked, LLC was organized by Landowners (home and farm) to prevent the unsafe and inappropriate siting, construction, and operation of industrial wind towers too close to rural homes and farming operations.

Stronger Together

By creating a non-profit LLC, we are committing to each other that we are all in this together. Trusting together we are stronger together.

Members of Wind Locked, LLC feel these "Wind Farm Projects" are unsafe and an inappropriate use of land rights, privacy and federal tax subsidies.

PURPOSE:

The purpose of Wind Locked, LLC (the "purpose") shall be to acquire and HOLD Wind Easement Rights for conservation and environmental purposes.
